The collecting official shall assess and collect a late fee of \$7.00 for each dog, 5 months of age or over, if the owner fails to obtain a license prior to April 1 of each year, or within 30 days of acquiring ownership of a licensable dog or if the owner failed to obtain a license on or before the dog reached the licensable age.

- Please fill in all applicable lines (**phone # extremely important**) and check mark appropriate boxes. If you have a P.O. Box please give street address as well, this assists us if your dog is lost.
- **Rabies Vaccination certificate required, upon request the form will be returned.**
- It is the resident's responsibility to provide the certificate; treasurer will **not** contact your vet.
- License is for calendar year (January 1 to December 31) only; obtain license as soon as possible. If rabies vaccination is valid at the time of application, then the license will be granted. The only request would be that when your dog is re-vaccinated that you forward a copy to the treasurers' office.
- **Please read thru the following Wis. State Stats. The Rock County Sheriff's Dept. may issue a citation to a dog owner that is in violation of these laws, as well as a dog(s) that is not vaccinated for rabies.**
